Many followers join the creativity each year by sharing their own personal reflections across social media using #AdventWord. FAMILY LIFE

Sunday School for Advent: *Waiting For Jesus*

9:00 & 11:00am | Family Life Center Sunday School is a place where children and their families can practice being compassionate in a community that values love and compassion.

Ms. Amanda, our Family Minister, welcomes children and their parents near the education wing entrance (by the playground). You will be reunited with your children in the sanctuary at the announcements—in time for communion together as a family.

Waiting for Jesus has fun and engaging lessons and activities for children ages 3 years through fifth grade, teaching them all about what the Advent season means.

Be a Sunday School Helper! Do you have a heart for God and for working with children? Family Minister Amanda is looking for adults to serve as Sunday School helpers one or two Sundays a month. If you are interested or for more information, please email her at amanda@st-michaels.org.

Acolyte Program Invitation The acolyte program is a way for our children and youth to act as liturgical leaders during our worship services—carrying the cross, lighting the candles, and more. As they offer their time and talent, they will learn more about what it means to serve God and one another, will become better acquainted with the Episcopal tradition, and will discover that they, too, are ministers of God’s love.

Please email Rev. Josh (jkulak@st-michaels.org) if you have children interested in participating.

PLUG INTO OUTREACH

It Takes Many Hands to Share God’s Bounty The SMEC Community Garden, which is on the far side of the day school, is in need of more friends to help with this ministry. All the produce—like argula and other fall veggies—that our garden crew picks go to folks who don’t have much access to fresh food. Our partner is Hope Food Pantry, a non-profit assisting Austin neighbors who are experiencing food insecurity. They love the fresh veggies! Gardeners of all ages are invited to volunteer: plant seeds, water, weed, or harvest. Great for families and individuals! Interested? Contact Harriett Choffel at harriettchoffel@icloud.com.

Outreach Partners St. Michael’s Outreach partners for 2022 are the following organizations: Seminary of the Southwest, Trinity Center, Refugee Services of Texas, Casa Marianella, Pauli Murray Scholarship, Episcopal Relief and Development, St. Michael’s Day School, El Buen Samaritano, One Good Turn, Nicole’s Place, St. Francis Ministries, Honduras Mission Project, Del Valle Book Project, and the SMEC garden. Throughout the year, we will try to establish deeper relationships with several of these organizations and offer ways for the parish to “plug in” and participate.

Stay tuned!

MINISTRIES

Stephen Ministry Occasionally, worry, pain, anxiety or loneliness feel relentless. Jobs, unemployment, family, or eldercare may bring unique highs and weighty lows. A caring Stephen Minister, a trained and confidential listener, not a therapist or friend, may be best equipped to hold your concerns with you for an hour each week, offering understanding, support and prayers.

Learn more at www.st-michaels.org/stephen-ministry. If you'd like a Stephen Minister, please contact Jeff Robinson (jarobinson100@gmail.com), Julie de Wette (julie@losmadrone.com), or Fr. John Newton (jnewton@st-michaels.org).

Altar Guild The Altar Guild is always looking for women and men to join this ministry. This group makes sure that the sanctuary is clean and readied for services and other liturgical events that happen at St. Michael's. If you are interested in serving or for more information, please contact Gail Reid at reid.gail@gmail.com.

Photography Ministry Our photographers take on the role of capturing the special moments in the parish, may they be during worship, parish gatherings, or special events. If you're interested in helping with St. Michael's photography ministry, please email our director of communications, Christine Havens at chavens@st-michaels.org. If you have any photos of community life or at-home worship that you'd like to share, Christine welcomes those, too. Please send via email at the highest resolution possible.

DAY SCHOOL PHOTOS OF THE WEEK

With the freezing winter temperatures this week, the Dolphins class pondered which animals survive winter by hibernating. So one day, they created snug magnetile winter homes so the animals can snooze through the winter season. The class also learned about the Pilgrims and that they ate most dry salty biscuits while on the Mayflower. The group got to make some salt dough cookies to see for themselves what it might have been like. *Thanks to Miss Karen for the photos!*
